SPONSORSHIP RULES - REQUIRED READING

Chili Team Captains,

Chilifest is grateful for the support of our sponsors who make this event happen. Please respect the Chilifest rules regarding sponsorships and promotion. While we always encourage creative and imaginative teams, **CHILIFEST DOES NOT ALLOW PROMOTIONAL SIGNAGE, APPAREL, DECORATIONS, AMBASSADORS, GIVEAWAYS, OR ANY MARKETING WITHIN THE CHILIFEST EVENT GROUNDS without the express written consent of Chilifest.** Chilifest reserves the right to remove any and all unauthorized promotional and marketing materials, including removing persons from the event area who refuse to abide by these rules.

We understand that many teams rely on sponsors to help with costs, and we still encourage teams to reach out and find sponsors to do so. Please note though, that we require companies to be sponsors of Chilifest, Inc. in order to sponsor individual teams at the event. Please notify any sponsoring companies of this rule so as to prevent issues during the event. Chilifest staff members will be roaming the event with a list of approved team sponsors to ensure compliance.

This being said, we are typically very flexible and accommodating when it comes to team sponsors if submissions are made to us in advance. You may reach out to info@chilifest.org with your list of sponsors at any time to seek approval. We encourage you to seek approval sooner rather than later to avoid complications during the week prior to Chilifest.

We thank you for your support of Chilifest, and look forward to seeing you at the event! As always, please email info@chilifest.org for any further questions or inquiries!
