

CHILIFEST INC. PRESENTS

Chilifest 2019
April 5th & 6th | Snook, Texas
IMPORTANT UPDATES FOR 2019

****ATTENTION****

Team Captains,

We are always looking for ways to improve Chilifest, and this year we will have some important improvements and updates to the festival. We thank you once again for your support, and look forward to bringing you the best Chilifest yet. Listed below are some of these updates that we are excited to present in 2019. If you would like more information, check out our website at www.chilifest.org, or email info@chilifest.org. Please read below, as some of these changes can significantly improve your team's experience!

Beverage Pre-Sale: Teams may purchase alcoholic beverages through a Chilifest vendor prior to the event. Beverages will be on the Chilifest grounds and teams will be required to move their bulk beverage orders from the designated point of sale to their team spot. Chilifest volunteers and trailers will also be on site to help load beverages for transport. This new offering will provide a convenience to teams. You will *no longer have to haul your beverages from your respective locations. Instead, beverages will be ready for pick-up on the event grounds.* There will be various offerings at *pricing that is competitive to local store-pricing.* Order sheets with purchase options and pricing will be available at Team Ticket Add-ons on *February 26th, and March 1st.* A link will also be present on the Chilifest website, and sent to team captains for online order forms. All proceeds from beverage pre-sale will go to charities across the Brazos Valley. **The same 21+ year old individual that submits their pre-sale order must be the**

same person to purchase and pick-up beverages from the designated point of sale in the Chilifest grounds.

RFID Wristbands: RFID wristbands will be back at Chilifest! Event-goers will be able to register their wristbands online, allowing them the simplicity of using their wristband to make purchases at the event as well as interact with sponsors. Registering the RFID wristband online will also allow users to receive a replacement wristband in the event the wristband is lost, for a **small replacement fee of \$10**. Otherwise, if an unregistered wristband is lost, a replacement wristband will NOT be granted. **Please instruct your teams to register their wristbands online** for a greater experience at the event, as well as getting a replacement should they lose a wristband. **On the date of wristband-pickup, we will supply info sheets to be given out with each wristband.** These will explain how to register, as well as other crucial general info for your guests.

Park N' Ride Busing Friday Night: In addition to the Park N' Ride busing service Chilifest offers from 10:30 AM – Midnight on Saturday during the event, the Park N' Ride service will now be extended to Friday evening from 9 PM – 1:30 AM. The buses will drop off at Post Oak Mall. **Chilifest provided busing will NOT commence until 9:00PM on Friday. Please schedule a safe ride to the event, and enjoy the complimentary ride home. Private buses will not be allowed to pick up event goers from the event after 9:00 PM.** For more information, see our Transportation page at <http://www.chilifest.org/parking/>.

Mobile Charging Lockers: This year we are excited to announce the presence of Mobile Charging Lockers at Chilifest. Each locker is internally equipped with a universal phone charger. Whether you have an iPhone or an Android, you can charge up safely and come back for it without missing a beat. Each locker measures approximately 8 inches high, 12 inches wide, and 18 inches deep — plenty of space for backpacks or purses. Rentals are good for single-day or full weekend use. **PRO-TIP:** Lockers make a great meeting point for you and your crew, and share a locker with them too. Presale rates for 2-day rental is \$35! One-day rental will be \$20/day. Stay tuned for where to make these rentals!
